Somewhere the original harmony must exist,
Hidden somewhere in the vast wilds.
In Earth's mighty firmament,
In the far reaches of swirling galaxies,
In sunshine,
In a little flower, in the song of a forest,
In the music of a mother's voice,
Or in teardrops -
Somewhere, immortality endures,
And the original harmony will be found.
How else could it have formed
In human hearts -
Music?

Juhan Liiv (1864-1913)
