*Down in the west, happy sun
Thanks for the day, God and Father.
Give us protection during the night now.
Thanks for food and thanks for clothing
Thanks for the strength to work and the joy.
Give us peace in heart and rest.*

*God and Father, let us sleep
Watched by angels in our house.
Be our sun in the night.
Then, when the last day fades
Lift us up to your halls.
Lead us across the bridge of stars.*

*He has shown the power of his arm
scattering the proud of heart.
He has displaced the mighty from their thrones and exalted the lowly.
He has filled the hungry with good things and sent the rich away empty.
He has saved Israel, his servant, mindful of his mercy.
Has he spoke to our ancestors, to Abraham and his descendents forever.*

*Evening of roses
Let us go out to the grove
Myrrh, fragrant spices and incense
Are a threshold for your feet*

*Night falls slowly
And the wind of roses is blowing
Let me whisper you a song, secretly
A song of love*

Your head is filled with dew
Your mouth is a rose unto the morning
I will pick it for myself*
