# A GIFT OF MUSIC

## FANFARE FOR A FESTIVAL

Ron Nelson

*All praise, all praise to music! Heaven sent.  
The voice that lifts all hearts in perfect melody,  
and leaves the soul fullfilled with joy and peace.*  
**Combined Choirs, Brass and Percussion**

## O AULA NOBILIS

William Mathais

*O noble hall and pride of the school,  
Of all halls the most outstanding,  
Adorned by the skills of many people,  
Echoing this day with the songs of young girls;  
We wish you well, we praise you:  
Prosper from generation to generation!*

Commissioned by Westonbirt School on the occasion of the opening of the Orangery  
by Their royal Highnesses The Prince and Princess of Wales, 19 June 1985

## AWAY FROM THE ROLL OF THE SEA

Diane Loomer

**Cantori**

## AL SHLOSHA D'VARIM

Allan E. Naplan

*The world is sustained by three things,  
by truth, by justice, and by peace.*

**Sheri Cerling, soprano  
Combined Women's Choirs**

## MUSIC ALONE SHALL LIVE

German Canon

*All things shall perish from under the sky,  
Music alone shall live, music alone shall live, music alone shall live, never to die.  
Music, never to die.*

## FA UNA CANZONA

Orazio Vecchi

*Sing me a song without a note of sadness!  
When all the pain of love drives me to madness:  
Sing me to sleep with a sweet serenading,  
Oh, so gently from sound to silence fading.*  
**Freshman Madrigal Singers**

## TUTTO LO DI MI DICI

Orlando di Lasso

*Day after day they all say, "Sing"  
Can't they see I am out of breath from singing?  
Why can't the merry bells ring?  
Not the tolling of the church bells, but the sounding of the cimbalo.  
If only I had my way, all people would be happy and gay.*  
**Freshman Madrigan Singers and Sophomore Chamber Singers**

*Women: My door is closed tightly, I'll not let you in.*  
*Mother has made it clear if you're but once in here all is o'er with me.*

*Most friendship is feigning: most loving mere folly.*

**MUSICKS EMPIRE**

Lloyd Pfautsch

*First was the World as one great Cymbal made, Where Jaring Windes to infant Nature plaid.  
All Musick was a solitary sound, To hollow Rocks and murm'ring Fountains bound.  
Jubal first made the wilder notes agree; And Jubal tuned the Musick Jubilee:  
He call'd the Ecchoes from their sullen Cell, And built the Organs City where they dwell.  
Each sought a consort in that lovely place; And Virgin Trebles wed the manly Base.  
From whence the Progeny of numbers new Into harmonious Colonies withdrew.  
Some to the Lute, some to the Viol went, And others chose the Cornet eloquent.  
These practicing the Wind, and those the Wire, To sing Men's Triumphs, or in Heaven's quire.  
Then Musick, the Mosaique of the Air, Did of all these a solemn noise prepare:  
With which She gain'd the Empire of the Ear, Including all between the Earth and Sphear.  
Victorious sounds! yet here your Homage do Unto a gentler Conqueror than you;  
Who though he flies the Musick of his praise, Would with you Heavens Hallelujahs raise. Hallelujah!*
