A Song of Peace

John Horman

95% of Americans believe that music is a key component in a child's well-rounded education. (The Gallop Organization, March 2003)

"We know an age more vividly through its music than through its historians." — Rosanne Ambrose-Brown

"Music has the power of forming the character, and should therefore be introduced into the education of the young." — Aristotle

"As the music is, so are the people of the country." — Turkish Proverb

"It is not enough to wire the world if you short-circuit the soul."

—Tom Brokaw

"Wouldst thou know if a people be well governed, or if its laws be good or bad, examine the music it practices." — Confucius

I teach choir...

Not because you are expected
to major in music...
Not because you are expected
to sing all your life...
Not so you can relax...
Not so you can have fun...
But — so you will be human...
So you will recognize beauty...
So you will be sensitive...
So you will be closer
to an infinite world...
So you will have
something to cling to...
So you will have more love,
more compassion,
more gentleness, more good...
In short, more life!
