

Armstrong Choir

Scripts Fundraiser

Plan ahead for Mother's Day, Graduation, Birthdays, Teacher Gifts, Shopping, Dining, Movies.
Buy gift cards to give away as gifts, or to use for your own personal purchases!

What? Now you can buy gift cards for places that you regularly shop and at the same time support your AHS Choir student. For each gift card ordered, a percentage of the card's value will be deposited into the student's individual choir account. See attached order form for choices of gift cards and percentage of "profit" for each type of gift card.

Who? All Armstrong choir students.

Why? Earn money for your individual choir account!

How? Students should collect orders for gift cards and collect payment. Sell to parents, friends, family, neighbors, etc!

Fill out separate forms for each sale (Student Use Forms) for personal record keeping. Keep these so you can deliver the specific items ordered to the correct individuals.

At the end of the sales period, **please turn in ONE form (Master Order Form) summarizing all** of your sales with counts and dollars totaled.

Turn in your Master Order Form and check or money order to Mrs. Trump or Mr. Rangel.

Payment (checks or money orders, no cash) must be turned in with the orders.

Also make sure:

- The student's first and last name is printed clearly on the order form
- The form is legible
- The check or money order submitted with the order form matches the total order value and that the student's name is on the memo line of the check

Checks payable to: Armstrong Choir Boosters
