The Armstrong High School Chamber Singers is an extra-curricular ensemble that meets before and after school. It is one of six curricular and three extra-curricular ensembles serving approximately 450 students at Armstrong High School. They continually represent the school at community and civic events. They have been invited to sing at the White House, the National Cathedral, and the Governor's mansion. They have also performed at the Minnesota Music Educators Association (MMEA) state convention and the North Central American Choral Directors Association (NCACDA) convention and with the Concert Choir on a tour of Central Europe. In addition, they have received superior ratings and "Best of Site" recognition at the Region 6AA Solo/Ensemble Contest for four of the past five years. They recently performed for the 2001 MSBA Leadership Conference and will be performing with the Concert Choir and Cantori at the 2001 MMEA Mid-Winter Clinic.
